

## **CHAMPION #AC35 MINIBRUTE MAGNETIC DRILL PRESS**

The Champion AC35 MiniBrute Magnetic Drill Press is a compact and lightweight solution designed for precision drilling in tight or confined workspaces. Despite its small footprint, the AC35 delivers reliable performance with a powerful 1100 W motor and a strong 2200 lb magnetic base, ensuring stability and accuracy during operation.

Built to accept standard 3/4" Weldon shank annular cutters, the AC35 offers quick tool changes and efficient cutting up to 1-3/8" diameter with a 2" depth of cut. Its ergonomic design, combined with an external coolant system and safety features, makes it an ideal choice for maintenance, fabrication, and on-site steel drilling applications where portability and performance are essential.

## **What's Included with this Magnetic Drill Press?**

- Carrying case
- Hex Keys
- Safety trap
- External coolant bottle
- Safety guard
- Quick change arbor for use with standard 3/4" weldon shank cutters

## **TECHNICAL ASPECTS**

- Capacity: 1-3/8" Diameter, 2" Depth of Cut
- Weight: Only 23 lbs
- Motor Power: 1100 Watt
- Motor Speed: 600 RPM
- Magnetic Strength: 2200 lbs
- Quick Change Arbor For Fast Cutter Change
- Accepts Standard Annular Cutters With 3/4 Weldon Shank
- Converts From Annular Cutters To Twist Drills With QX1220 Drill/Chuck Adapter
